

MALATUN BLUES BAND

MALATUN, a band from Brooklyn (NY) & Barcelona (Spain), presents their first EP **BIG FISH** Four songs of traditional blues. A good collection of original songs tribute to the best American roots music. An excellent sound. Suggestive songs, recorded in pandemic times. Replicating the sounds of New Orleans to Mississippi Delta; Memphis to Chicago, **BIG FISH** lyrics talk about the long and fun stories from Atun & Malacara. Songs written and performed by two old friends who have been sharing the best stages since 2004.
